2016 TRAINING / SEMINARS

Training of officials to keep them abreast of the latest Sporting & Technical Regulations and trends in Motorsport is a continuing process. A Seminar for Technical Personnel was conducted in Delhi which was a good success.

MANUFACTURERS' INVOLVEMENT IN THE SPORT

The year 2016 saw an increase in manufacturer's involvement in the sport from JK Tyre Industries Ltd , MRF Limited , Mahindra, Volkswagen, Toyota, Tata, Maruti, Honda, Yamaha, TVS, Yokohama, KTM, Hero, etc.

INDIANS IN INTERNATIONAL EVENTS

From our records, it is heartening to note that we have issued approximately 124 No Objection Certificates (NOCs) for Indian competitors to take part in events abroad in the year 2016.

IN CLOSING

All our disciplines have flourished this year and are thankfully strongly backed by promoters. Even Rallying that was floundering last year has made a strong come back and I think is back on track. The Café Coffee Day Rally which ran as a round of the Asia Pacific Rally Championship, the Asian Road Racing Championship which got us high quality 2W International Racing to the Buddh International Circuit and the MRF International Series are some of the high quality International events from last season. We need to continuously strive to bring more and more International events into India, as it seems to be the easiest way to raise the bar.

On an individual level I must mention a few noteworthy performances. Gaurav Gill for winning the Asia Pacific Rally Championship, and Shahan Ali Mohsin for becoming the first Indian to win the Asian Karting Championship. Also it's a moment of pride that our nominee to the Asia Pacific Vicky Chandhok has recently been elected President of the APRC Working Group. I trust Vicky will give the entire Region the leadership, impetus, growth and necessary change it so badly requires.

Two notes worthy initiatives that have fructified this year are the new FMSCI website which is now getting a large and enhanced number of hits, and the Motorsport India Magazine brought out in collaboration with EVO. I feel both these tools should be nurtured through the gestation period and treated as investments in promotion, to draw and attract more people to our sport.

I would like to place on record my sincere thanks and appreciation to our Chairman Dr. Vijay Mallya, Vice President Mr. K D Madan, Hony. Secretary General Rajan Syal, my fellow councilors, Chairman of sub-committees, member clubs, sponsors, media, manufacturers, the Government of India, the FIA and the FIM, competitors, volunteers and all the motorsport fans out there. Your support was unprecedented and may your tribe increase.

My gratitude and appreciation for the unstinting and solid support I have always received from the entire Secretariat. Shriakant, Naren, John, Sivaguru and our new recruit Sharon, all of you have made my life much easier in more ways than one.

I express my heartfelt thanks to our consultants who ensure that we stay on the straight and narrow path Ramgopal Lakshmi Ratan our advisor for company law matters, our Chartered Accountants P.N. Balasubramanian & G Sudha, and our legal advisors S.R. Rajagopal and Anand Sashidharan.

At the last AGM I had said that when my term ends, I hope I would have reposed your faith in me for unanimously electing me as your President on the 22nd of September last year. I hope and trust I have. My decisions in the year gone by may not always have been popular, but I have always done what I feel is best for the sport, to me that is of prime importance.

Thanks a lot for this opportunity, I learnt from it immensely and I hope I have been able to give something back to the sport that has given me a lot. I wish the incoming Council the very best and hope we all continue to work together, with an honest approach and firm resolve to take motorsport forward in the year ahead. Individually and collectively this must remain our only focus.

Early wishes for a Merry Christmas and a happy and prosperous New Year
