

Ladies Back on the Track- 2016 FIM Asia Cup of Road Racing, Thailand.

Aishwarya Madhusudhan and Shruthi Nagarajan are once again getting back on track for the 2016 FIM Asia Cup of Road Racing on 16th-18th December 2016 at the Thailand Circuit, Nakhonchaisri. The machine they will be using for the race is Yamaha Exciter 150cc.

The two ladies made the country proud in the previous race by turning out to be the first two female riders from India to compete at the FIM Asia Cup Road Racing in Taiwan and performing well at their maiden attempt. And they continue to make India proud, by participating in the next race in Thailand. They seem to be their own competition, beating their own records with their dauntless attitude and will- above all their passion for racing. Adding on to this, Aishwarya Madhusudhan also receives an award in Delhi from the TIE Young Achievers Award on 16th Dec, straight from which she will be heading on to Thailand.

Sujith Kumar, Chairman of 2w Racing Commission stated, "Aishwarya and Shruthi are among the fastest lady riders in our country at present and we feel their participation in International events could inspire more women to join the sport".

"Aishwarya and Shruti have redefined the threshold for women riders in India via their successful participation in the 2016 FIM Asia Cup of Road Racing. Their dauntless commitment and passion towards the sport is truly inspiring and I am sure that this is just the beginning of a great future that lies ahead of them. I do wish them the very best in all their future racing engagements" were the words from Akbar Ebrahim, President of FMSCI.

It's time to watch out for the ladies go vroom on the circuit.
