

# **Xtreme1 League in India next year**

**CHENNAI:** The Xtreme1 Racing League will be held in India next year. It's a mix of races on track and street circuits. The league will include eight city-based franchise teams, each comprising of two cars and four drivers. The league is backed and sanctioned by the Federation of Motor Sports Clubs of India (FMSCI). The league has entered into a long-term partnership with the FMSCI to promote motorsports and nurture Indian talent.
