

FMSCI delegation meets Minister of Sports

The FMSCI delegation led by our Vice President Mr. Shivu Shivappa accompanied by our Councillor Mr. Sanjay Sharma, our Arjuna Award nominee Mr. Gaurav Gill and our North East Regional Co-ordinator Mr. Lhakpa Tsering met our Honorable Minister for Youth Affairs and Sports Shri Kiren Rijiju in June 2019. The FMSCI

handed over a presentation on FMSCI and motorsports in India and a memorandum of our wish list including GST concessions, import policies etc. Honorable Minister after the meeting tweeted "I'm excited to meet the Member of The Federation of Motor Sports Clubs of India. India has huge potential in motor sports. While the competition is tough and challenging, the body also takes steps to spread safe driving awareness"

A proud moment indeed for all of us !

No Fees along with Intention to Appeal

The Council in its meeting on 23rd July 2019 unanimously resolved that there shall be no fees payable along with Intention to Appeal.

You are aware that an amount of Rs.56,640/= were to be paid by the competitors along with their Intention to Appeal when they prefer an appeal to the Indian Motor Sports Appeal Court (IMSAC). You may recall that earlier this year, the FMSCI had given the option of paying the intention to appeal fees either by cash, bank transfer or by on par cheque. However, during the Council Meeting on 23rd July 2019, the Council, while agreeing with the suggestion by the Regularity Run Commission unanimously decided to do away with the fees while filing the Intention to Appeal with immediate effect. Now the total fees of Rs.1,13,280/= has to be paid along with Grounds of Appeal to IMSAC within 96 hours from the moment the Stewards are notified of the Intention to Appeal.

Minimum Age for 4W National Racing to be at 15 from 2020

- The FIA have increased the minimum age for an International C Racing License to 16 Yrs (the date of the birthday being binding) from 15 Yrs.
- Our current minimum age for a National Racing License is 14 Yrs. This was based on the previous norm for an International Racing License at 15 Yrs.
- After substantial research and study of various types of accidents, the FIA came out with this decision on the minimum age.
- The FMSCI Racing Commission have also done a study of our National Racing drivers and their related accidents and completely concur with the findings of the FIA and are of the strong opinion that the minimum age for a National Racing License should be 15 Yrs (the date of the birthday being binding) and not 14 Yrs.
- The body structure and the mental structure is better and safer when at 15 Yrs as against 14 Yrs.
