South India Rally postponed

Organisers the Madras Motor Sports Club postponed the South India Rally, scheduled for March 20-22, to June 19-21 in view of the escalation in the COVID-19 virus situation across the country, according to the Chairman of the event, Vicky Chandhok. The South India Rally also doubles up as a round of the FIA Asia-Pacific Rally Championship and the FMSCI Indian National Rally Championship (4-wheelers). "We were confident of running the event on schedule as we had put in place all measures and infrastructure complying with Government of India's health advisories to provide a safe environment to all the stakeholders. However, developments in the past couple of days forced us to rethink and decide on postponing South India Rally," said Chandhok.
