	Date	09 th June 2018
	Effective	Immediate
	No. of Pages	Two

2018 General Prescriptions 2 Wheeler Circuit Racing

Please note the changes in the following Articles

1) Art.1.4.1 Permanent Officials

Technical Director Responsible for ensuring that technical Regulations are correctly enforced and supervising scrutineering and protests of a technical nature. He shall act independently and submit his report to the Race Direction. He shall have the liberty to decide on the additional components to be checked during post-event scrutiny apart from the following ~~mandatory~~ recommended components for the National Championship. The Race Direction / Stewards may add any other component/s to the list after discussion with the Technical Director :

~~Mandatory~~ Recommended Post-Event Scrutiny :

Group Stock :

- 1) Verification of Cubic Capacity
- 2) Engine Number
- 3) Chassis Number
- 4) Primary / Secondary Ratio
- 5) Air filter
- 6) Carburettor

2) Art.1.11.4

A compulsory briefing will be held for all the riders who will be participating in the current Championship, before the riders go in for the first practice.

Failure to attend the briefing in full ~~will~~ may result in disqualification from the event.

Member of

3) Art.1.14 Technical Control

Add the following Paragraph

After pre event scrutiny the change of engine or vehicle is allowed subject to a 10 grid penalty in the first race after the change has been made.

4) Art.1.18 Start Procedure

Tyre warmers may be used on the grid for all groups other than Stock ~~only for super bikes~~.

5) Art.1.22 Flags and Lights

Please note that all flags that are described as shown motionless are now changed to be shown waved.

**** END ****
