

# RAGHUL AND VISHNU HOG LIMELIGHT

**Coimbatore:** The Chennai duo of Raghul Rangasamy and Vishnu Prasad brought the opening round of the 22nd JK Tyre FMSCI National Racing Championship to life, splitting dramatic victories in the FLGB-4 category on an action-packed Day 2 here on Sunday.

The day began with Raghul stealing the thunder but ended with Vishnu streaking to his second last-lap win to spice up the competition. It made for a perfect weekend for their team, MSport, though. The three podium finishes, including his win on Saturday, handed Vishnu the championship lead with a grand total of 28 points. All this came along with a lot of post-race drama, with Vishnu first being dislodged from the top before being reinstated again after a series of protests.

The JK Tyre Novice Cup too saw some heated off-the-track action. Bangalore's Chirag Ghorpade (Momentum Motorsports) sailed past the chequered flag for the third consecutive time, only to discover that he had made a jump start. He was penalised by 10 seconds that saw him slide all the way down to the eighth position.
