

# INTERESTING BATTLES IN STORE IN FINAL ROUND

**Chennai, Sept. 12:** The stage is set for the fifth and final round of the MRF MMSC FMSCI National Car Racing Championship over the weekend at the MMRT track at nearby Sriperumbudur, with titles in all the categories up for grabs and not much separating the main contenders in terms of points.

The card for the final round has a total of 14 races.

The premier MRF F1600 category will have a total of seven races, including three carried over from the rain-affected fourth round last month.

That apart, it will be double-headers in the saloon cars and Formula LGB 1300 categories, besides three races slated for the Volkswagen Ameo Class.

With titles in all these categories still to be decided, the weekend is expected to dish out edge-of-the-seat thrillers that have been a feature of the championship thus far.

Chairman of the Meet Vicky Chandhok said in a press release that the final round, this weekend, should provide a fitting climax to the season.

The MRF F1600 grid is packed with a bunch of talented youngsters who have progressed from karting to single-seaters with a series of impressive performances.

Leading the pack is Bengaluru's 18-year old Sohil Shah with 83 points after having won three consecutive races.
