FMSCI's initiative to invigorate motorsports

SPORTS REPORTER

CHENNAI

To deal with COVID-19's aftermath, the Federation of Motor Sports Clubs of India has announced a slew of concessions to clubs and sportsperson to promote the sport.

The FMSCI Council has announced a spate of initiatives as under:

The major measures are as follows: a) Free renewal of National level Competition Licences applied for in 2020 for the year 2021, if these licence holders do not take part in any event in 2020

b) 100% waiver of the Permit Fees for organisers of all status of events, if no sponsor/s associated with the event. 50% of permit fees will be charged otherwise

c) 100% waiver of the Naming Rights fees for events if no sponsor/s associated with the event. 50% naming rights fees will be charged otherwise

d) One-year extension for the existing Promoters of various National Championship events irrespective of whether the National Championship is conducted in 2020 or not

e) Local Stewards to be appointed to ease the burden of travel and hospitality costs for the organisers.

The FMSCI added it hopes that with these initiatives, motorsport activity in India can resume as soon as the lockdown is lifted for sporting activities.
