

31st December 2022

Dear Competitors,

At the outset we wish you a very Happy and Healthy 2023.

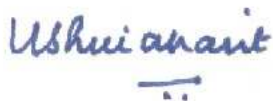

You are aware that by holding a valid FMSCI Competition Licence, you are covered by a high risk Personal Accident insurance and medical reimbursement to a maximum of Rs.5 lakhs. The FMSCI is exploring the possibility of increasing it to Rs.10 lakhs.

You are also aware that with the ever increasing hospitalization costs, it is becoming more and more difficult to meet out the hospitalization expenses.

Hence, with your interest in mind, the FMSCI has made it mandatory for all participants participating in 2023 FMSCI National Championship events onwards to have a high risk personal accident insurance cover with hospitalization benefits preferably a cashless policy for a minimum of Rs.10 lakhs, over and above the insurance cover by the FMSCI. This will be checked during the documentation.

We request the cooperation of all National Championship events participants and we wish you once again a very Happy New Year.

Motorsportingly Yours,

V.S. Shriakant
Deputy Secretary General
