

BULLETIN #2

No.	2023 / 02
Date	9 th March, 2023
Effective	Immediate
No. of Pages	One

2023 Specific Technical Regulations for INRC 3

i) Amendment

Art.6-Exhaust

Free. (Exhaust manifold to the exit is free.) However the Exhaust ports in the cylinder head should remain as provided by the manufacturer and there should be at least one muffler present in the system

~~The location of the exit of the exhaust pipe is as per Homologation/TDF.~~

~~The exhaust system must not be provisional~~

Exhaust gases may only exit at the end of the system

~~These liberties must not entail any bodywork modifications and must respect the Indian Motor Vehicle Act.~~

The Exit of the Exhaust pipe must be at the Rear of the Car, you are permitted to modify, reshape, cutting the bumper for exit of the exhaust.

ii) Amendment
