GENERAL PRINCIPLES

1. GENERAL CHAMPIONSHIP CONDITIONS

The word “Championship” automatically includes Challenges, Cups, Series, Trophies and League etc.

The FMSCI Championships, Challenges, Cups, Series, Trophies, League etc. are the property of the FMSCI. Each Championship comprises of runs which are entered on the respective FMSCI Calendar of events.

The Championship runs are governed by the current FIA International Sporting Code and its appendices (the Code) and these regulations which consist of articles applicable to one or more of the specific Championships.

1.1 APPLICATION

1.1.1 Only the FMSCI may grant waivers to these regulations. Any breach of these regulations will be reported to the Stewards, who may impose a penalty as in Articles 12.2 and 12.3 of the 2024 FIA International Sporting Code (Code). Any case not provided for in the regulations will be studied by the Stewards, who alone have the power to make decisions (Art. 11.9 of the Code).

1.1.2 The Clerk of the Course is charged with the application of these regulations and the event Supplementary Regulations before and during the running of the rally. He must inform the Stewards of any important incidents that have occurred which require the application of these regulations or the event Supplementary Regulations of the run.

1.1.3 Anything that is not expressly authorized by these regulations is forbidden.

1.2 OFFICIAL LANGUAGE

For all FMSCI runs, the official language is English

1.3 INTERPRETATION

Should any dispute arise as to the interpretation of these regulations, only the FMSCI has the authority to make a decision

1.4 DATE OF APPLICATION

These regulations come into force on **1st April 2024**

2. DEFINITIONS

2.1 BULLETIN

Official written document intended to modify, clarify or complete the supplementary regulations of the run as detailed in Appendix II –3

2.2 COMMUNICATION

Official written document of an informative nature which may be issued by either the Clerk of the Course or the Stewards.

2.3 TIME CONTROL & AREA

The location of Time Controls (TCs) is identified by a Control Board / Sign.

- The Secret Time Control is identified by a Red clock face control Board /Sign.
- The Self Time Control is identified by a Yellow clock face control Board /Sign.
- The Disclosed Time Control is identified by a Green clock face control Board /Sign.
- The Virtual Time Control in case has a signage , should be defined in the SR

A distance of 20 meters (in straight line only) on either side of a control is defined as control area.

2.4 CREW

A crew is made up of two persons on board of each car nominated as driver and navigator. Each one must hold an FMSCI driver's competition license for the current year, which is valid for the event. The driver assumes the entrant's responsibility from completion of entry formalities of the Rally. However, at the discretion of the organizer and subject to conditions implemented a 3rd crew as passenger may be on board and the said crew must hold FMSCI competition license. (3-point seat belt mandatory). Podium finish in any TSD run (previously known as **TSD** Rally) as driver or navigator since the year **2021** till date shall not be eligible to be the 3rd crew.

2.5 DECISION

A document issued by the Clerk of the Course or the Stewards to announce their findings following an enquiry, hearing or investigation.

2.6 END OF THE EVENT

The event ends upon completion of Prize distribution ceremony. The competition element of the run finishes at the final time control.

2.7 LEG

Each part of the run separated by an overnight halt/ Parc Fermé.

2.8 NEUTRALISATION

If the minimum stipulated numbers of rounds of the Championship are not completed, there will not be any championship ranks/titles.

7. DEAD HEAT IN A CHAMPIONSHIP

7.1 DRIVERS AND NAVIGATORS

For drawing up the final classification of a Championship, the rule for deciding between drivers and navigator who have scored exactly the same points total shall be:

- 7.1.1 According to the greater number of first places, then second places, then third places, etc. achieved in the general classification of the rallies which have served to make up their points total.
- 7.1.2 According to the greater number of highest places achieved in the general classifications of all the rallies in which each of the crews with the same points score has taken part, one 6th place being worth more than any number of 7th places, one 7th place being worth more than any number of 8th places, and soon.
- 7.1.3 In the event of a further tie, the FMSCI itself will decide the winner and decide between any other tying driver and navigator, on the basis of whatever other considerations it thinks appropriate.

7.2 MANUFACTURERS OR TEAMS (WHICHEVER IS APPLICABLE)

The rule for deciding between registered manufacturers or registered teams which have scored exactly the same points total shall be as follows:

- 7.2.1 According to the greater number of highest places achieved in the number of runs having served to make up the points total for each manufacturer or team, taking in to account only the highest place per run for each manufacturer or team.
- 7.2.2 According to the number of 7th places, 8th places etc. one 7th place being worth more than any number of 8th places and soon.
- 7.2.3 In the event of a further tie, the FMSCI itself will decide the winner and decide between any other tying manufacturers or teams on the basis of whatever other considerations it thinks appropriate.

8. EVENT CHARACTERISTICS

8.1 DURATION

The maximum scheduled duration of a day should not exceed 10 hours driving time for any crew. A maximum total time of 2 hours for regrouping may be added to this total. (The said total running time of 10 hours should be between sun rise and sun set or sun set & sunrise in entirety. However, stoppage time can be a mixture of day/night)

8.1.1 FORMAT

Events will run on non-cumulative, Time Speed & Distance (TSD) format.

8.2 SPEED RESTRICTIONS

- 8.2.1 **At** any given point where there is no Government prescribed speed limit, speeds given in any speed block whatsoever will not be more than 45 KMPH in Plain and 36 KMPH in Hill sections.
- 8.2.2 However speed in plains may be increased to 55 KMPH subject to the said zone is not more than 8 kms at length and is notified to the Stewards for their evaluation and suggestions. There shall be not more than two such zones per day in an event. If such zone is planned, it has to be mandatorily mentioned in the SR. Wearing of Helmet are mandatory for all crew members in these zones.
- 8.2.3 Wherever the route goes through crowded areas like Educational Institution /Hospital/ Market and other narrow crowded areas, Organizer must ensure that speed limit does not exceed **20 KMPH**. If necessary, organizer should identify start and end of such zones in road book by giving specific tulips.
- 8.2.4 Mandatory 10 minutes dead time to be added to the running time at every manned railway level crossing.
- 8.2.5 In National Express/Highways and State Highways the maximum average speed shall be restricted to 10% less than the Government prescribed speed limit. This shall in no way be applicable in Hill sections.
- 8.2.6 However if the average speed given is above 45 KMPH as per **Article 8.2.5** there shall

be no time control in that Section as National Express/Highways and State Highways are mandatory NO CHECK ZONES.

- 8.2.7 However FMSCI on special cases may consider of having controls at National/State Highways only, subject to speeds are as per article 8.2.1 and position of the said controls are cleared by FMSCI route inspector. Such considerations shall in no way be in case of Expressways. All cost towards inspection shall be borne by the organizer.
- 8.2.8 In case the Event is terminated before Event HQ, results shall be declared at least 30 minutes after scheduled arrival time of the last competing vehicle at Event HQ. The said schedule time of arrival shall be determined as per time required to reach Rally HQ from the place of termination of Event as per prescribed speed restrictions.

8.3 ADDITIONAL TRIP METER

Usage of additional trip meter as stated in article 2.13 is permitted. There are no penalty factors applicable for such usage. However, for Closed, Closed Invitation and Open status events, the organizers can apply a penalty factor of 2 (to be multiplied with the running time penalties only) for usage of additional trip meter/apps, the same has to be clearly mentioned in the SR.

8.4 PROGRAMME FOR THE EVENT

- 8.4.1 The programme of the event should be as per the SR of the event and any change to the same should be duly authorized by the stewards.
- 8.4.2 The title and logo of the event and the official logo attributed by the FMSCI to the Championship concerned must appear on top of any official documents. The event logo should be positioned on the left side and the FMSCI Championship logo on the right side, unless otherwise informed by the FMSCI.
- 8.4.3 Drivers Briefing is compulsory with attendance of one crew member, under pain of disqualification from the event. The COC must inform all safety related issues and any special sections being run and other necessary safety protocol to be followed during the rally.

16. CONTROLS

16.1 SIGNAGE OF CONTROLS

Secret TC – Red Clock Face
Self TC – Yellow Clock Face
Disclosed TC – Green Clock Face
Passage Control – Blue Stamp
Virtual time Control - To be mentioned in SR if any

16.2 CONTROL OPERATION TIME

The stopping time of competitors within any control area is limited to the time necessary for carrying out control operations as defined in the Supplementary Regulations of the event.

- 16.2.1 Controls shall be ready to function at least 15 minutes before the target time for the passage of the first competing car.
- 16.2.2 Unless the Clerk of the Course decided otherwise, they will cease to operate 15 minutes plus Maximum Permitted Lateness time after the due time of arrival of the last competing car.

16.3 CONTROL AREA

- 16.3.1 Area of 20 meters (in straight line only) on either side of the control shall be treated as control area.
- 16.3.2 Re-entering a control area from any direction shall entail a penalty of 5 minutes for each such re-entry. Marshall's remarks on this shall be final.

16.4 MARSHAL'S INSTRUCTIONS

- 16.4.1 Crews are obliged to follow the instructions of the marshal of any control. Failure to do so will be reported to the Stewards.

16.4.2 All control officials must be identifiable. At each control, the Chief Official must wear a distinctive tabard.

16.5 ONBOARD CAMERA TAPE EXCHANGE AND MAINTENANCE POINTS

The organizers may establish on-board camera (OBC) data exchange points within the itinerary. Such points must be notified in a bulletin (which may be issued by the Clerk of the Course) and are solely for the exchange of video data and adjustments / maintenance of the cameras.

All such works carried out will be in the presence of member of the team & will be done under the supervision of a marshal or rally official. Recorded chips of OBC to be handed over to the Organizer within 30 minutes of Finish of each Leg

16.6 CONTROLS & CONTROL PROCEDURE

There will be **5 types** of controls: DISCLOSED TIME CONTROL (DTC), SECRET TIME CONTROL (STC), SELF TIME CONTROL (SFTC), VIRTUAL TIME CONTROL (VTC) and PASSAGE CONTROL (PC)

The event will run “**Non-Cumulative**” on **Time/Speed/Distance** format. The check-out time from every DTC/STC only shall be minimum **20 Seconds PLUS** to the check-in time at that control. The Check IN to Check OUT dead time for the event should be mentioned in the SR. Whereas for calculation/ tabulation purpose only, check-in time shall be the check-out time from SFTC. If RE START is given at any DTC/STC then the RE START time given shall be the start time from that DTC/STC **only**. Whereas the check-out time from every SFTC shall be the same as the check-in time entered.

Check In Time --- Restart Time (Say 30 seconds dead time for the event)

e.g. 1

INTIME OUT-TIME to be considered

11:07:00 --- 11:07:**30**

In Case Restart time is given as **11:08:00** –Then Consider Restart Time as OUT Time .

e.g. 2

INTIME OUT-TIME to be considered

11:07:59 --- 11:08:**29**

In Case Restart time is given as **11:09:30** -- Then Consider Restart Time as OUT Time.

Check in Time --- Restart Time (Say 30 seconds to be added)

11:07:00 --- 11:07:**30** -- if Restart time given is 11:08:00 -- Then Restart time – 11:08:00

11:07:59 --- 11:08:**29** -- if Restart time given is 11:09:30 -- Then Restart time – 11:09:30

(Fraction of seconds should/shall stand omitted at time controls in respect of endorsements and restart time but the procedure to be followed at the end of speed blocks towards calculation shall be ascertained by the organizer and be published in the SR)

16.6.1 DISCLOSED Time Control

A Board with a GREEN face clock will be placed on the left-hand side of the road to indicate the control. **Control board pole shall be reference of control line.** Each Competitor will stop at this Disclosed Time Controls (DTC) and present the Time Card to the Marshal for entering the time of arrival along with his/her signature. However, if they do stop beyond the Control Area Appendix II9(c) shall apply. This time of arrival will also be noted on the Marshal's Card and signed by the Competitor. As tabulation shall be done based on Marshall's card, the competitor before signing, at every control, must ensure that the Marshal (except at passage controls) had endorsed the correct check-in time therein. Any dispute thereafter shall not be entertained by any means whatsoever. However, electronic/ app-based time endorsement can also be used. In that case, the endorsement procedure will be described in the SR. The time recorded will be the time the competitor hands over his/her time card to post Marshall. Stopping before DTC is permitted. Early check-in to the extent of max 10 seconds is permitted. The time will be recorded to the seconds, e.g. 11 Hrs 37 Mins 03 Secs. **These controls shall be disclosed in the Road Book.**

16.6.2 SECRET Time Control

A Board with a RED face clock will be placed on the left-hand side of the road to indicate the control. **Control board pole will be the reference of Control line.** Each Competitor will stop at these Secret Time Controls (STC) and present the Time card to the Marshal for entering the time of arrival along with his/her signature. This time of arrival will also be noted on the Marshal's Card and signed by the Competitor. As tabulation shall be done based on Marshall's card, the competitor before signing, at every control, must ensure that the Marshal has endorsed the correct check-in time therein. Any dispute thereafter shall not be entertained by any means whatsoever. However, electronic/ app-based time endorsement can also be used. In that case, the endorsement procedure will be described in the SR. The time recorded will be the time the very first portion of the vehicle crosses the virtual control line (**Any additional attachment stretching out of the vehicle shall also be treated as a part of the vehicle**). The time will be recorded to the seconds, e.g. 11 Hrs 37 Mins 03 Secs. **These controls shall be undisclosed.** Please note that the Marshal's Card is the sole property of the Organizer.

16.6.3 SELF Time Control

A Board with a YELLOW face clock (with no Codes or other identification requirements) will be placed on the left-hand side of the road. **Control board poles shall be the reference point of control line.** Competitors may stop at these Self Time Controls (SFTC). Competitor's need to ascertain the Official Distance of the said **SFTC** and note down his/her time of arrival as per the Speed chart in the **first available next blank row of the Time Card. Failing to do so will be treated as missing the control.** Time once entered any addition / alteration in any manner thereafter could lead to disqualification. In case of any inadvertent overwriting, the time can be re-written without any overwriting in the next available row before hitting a secret /manned control. In case of any interpretation of this writing, the final say would be of the COC in consultation with the steward. However, electronic/ app-based time endorsement can also be used. In that case, the endorsement procedure will be described in the SR and duly approved by the steward of the event, prior to start of the event.

16.6.4 PASSAGE CONTROLS

At these controls, identified by the signs shown in Appendix I, the marshals must simply stamp and / or sign the time card as soon as it is handed in by the crew, without mentioning the time of passage. However, electronic/ app-based time endorsement can also be used. In that case, the endorsement procedure will be described in the SR.

NOTE:

- Absence of competitors' signature in Marshall time card shall referred to stewards.
- Under the pain of DISQUALIFICATION, copying or taking photographs of endorsements in Marshall Card, correction of time endorsement in Competitors' time card without counter signature of the Marshall is strictly prohibited.
- Upon endorsement/operational delay due to marshal error, minimum additional Dead Time of **60 seconds** shall be given to the said competitor by the marshal ,which is to be added with his/her own running time apart standard procedures.

16.6.5 VIRTUAL TIME CONTROLS

These are Time Controls established using GPS technology Applications , applicable for Open events only, may or may not have signage boards (at the discretion of the organizer , to be mentioned in the SR in case signage being used). Organisers can designate these types of Time Controls at appropriate location enroute, time would be auto recorder in mobile or other applications using the GPS signal. Having Virtual Time Controls (VTC) is sole decision of the Organizer.

50 % of TCs could be Virtual Time Control I,e Physical TCs should be equal to or more than the No of virtual TCs being established. Physical time Controls should have an fair spread to cover the competitive sections evenly.

For example, In a 100 KMS of total distance of rally, 5 Time Controls could be Virtual Time Control , then will mandate that 5 should be Physically timed and Manned Secret Time Controls.

Intime = Outime for these VTC , similar to SelfTC may be followed .

16.8 LATENESS

16.8.1 Maximum Permitted Lateness:

Lateness exceeding 15 minutes at Secret/Disclosed Time Control or up to a total lateness of 30 minutes in the entire day/leg. Whichever comes in to effect earlier.

Only the Stewards are empowered to increase.

Disqualification for exceeding the maximum permitted lateness may only be announced at the time of posting of provisional results.

16.9 REGROUPING CONTROLS

16.9.1 Procedure at entry to a regroup

- On arrival at regrouping controls, crews will receive instructions of their starting time. They must then drive their car immediately and directly to the Parc Fermé' where engines must be stopped and the crew must leave the Parc Fermé'
- All crews must be prepared to be present for up to 5 minutes in an autograph zone, organized adjacent to the TC and accessible to public
- When a regroup does not exceed 15 minutes, crews may remain on board in this regroup.

16.9.2 Procedure at the exit from a regroup

After a regrouping during a leg, the cars shall restart in the order of arrival at the regroup.

16.10 OBSERVATIONS AND RUNNING OF A LEG

- 16.10.1 Any issues/complains regarding the Running of the Leg, eg TC placements, Road Blockage, Traffic or any other issues related to running time, etc, need to be reported at the Leg Termination TC, ie the TC where your TC card is submitted. The competitor shall submit this within 15 mins of reaching this point. No further requests/representations shall be entertained with respect to the concluded LEG.
- 16.10.2 Removal of any TCs by the Organiser should be substantiated by the above facts. In case, the same is for any reason outside the ones reported wide 16.10.1, the same should be in consultation with the Stewards, for ensuring the fairness of the Sport. In both cases any cancellations /delays / stoppages, should be reported as event incidents by the stewards in their report.

17. PARC FERME' - RULES

17.1 APPLICATION

- 17.1.1 Cars are subject to Parc Fermé' rules
- 17.1.2 From the moment they enter a regrouping park or an end-of-day park, until they leave it
- 17.1.3 From the moment they enter a control area until they leave it

Before the start, the organizers may assemble all the competing cars in a starting area, into which cars must be driven before the start time as detailed in the Supplementary Regulations. The exclusively pecuniary penalties for late arrival in the starting area shall be specified in the Supplementary Regulations. No service is allowed in the start area.

18.2.2 Start control:

All starts will be considered as DTC where early check-in is allowed. Other penalties including late arrival shall be as per penalty clause in Appendix II -8.

START ORDERS AND INTERVALS

18.2.3 Start order of Leg1

The starting order will be established by draw of lots or as per Article 18.1

18.2.4 Starting order for the subsequent legs

The start order of the subsequent legs shall be based on the classification at the finish of the previous Leg, if the provisional result of the leg is published. For the purpose of enhancing live TV coverage, the Championship promoter may request the running order of the cars to be changed at the end of a leg.

18.2.5 Start Interval

All cars will start at two-minute intervals unless specified otherwise in the Supplementary Regulations.

19. SERVICE

19.1 PERFORMING OF SERVICE

- 19.1.1 From the first TC onwards, service of a competing car may be carried except on “No Service” designated areas.
- 19.1.2 While taking service, obstruction in any way whatsoever cannot be caused to fellow competitors.

(All officials shall have the right to detain vehicle of any type in the event route suspected of passing information to competitors)

20. RESULTS & ADMINISTRATIVE REQUIREMENTS AFTER THE EVENT

20.1 ESTABLISHED RESULTS

The results are established by adding together all the time penalties together with all other penalties expressed in time.

20.2 PUBLICATION OF RESULTS

During the run, the classification to be published will be as follows

20.2.1 Partial Unofficial Classifications: Classifications published at the end of a Leg

20.2.2 Provisional Final Classification: Classification published by the organizers at the end of the run

20.2.3 Official Final Classification: Classification approved by the Stewards

20.2.4 In the event of the provisional final classification being delayed, a new time must be advised by a Communication on the Official Notice board/s. (Ref: Appendix II– 8)

20.3 DEAD HEAT IN A CHAMPIONSHIP EVENT

In the event of a dead heat, the competitor who has secured maximum number of zero penalties will be the winner and if the tie still persists then the competitor with the maximum number of one penalty, two penalties and so on till the clear winner emerges.

20.4 FAIR AND IMPARTIAL COVERAGE

The organizer of an event shall ensure that any broadcast coverage is fair and impartial and that it does not misrepresent the results of the event.

20.5 PROMOTIONAL RESULTS

It is prohibited to publish any form of advertising promoting the results of an individual Leg of a run. Competitors may however refer in media releases to winning a Leg, provided there is no implication that the result is related to the entire run.

20.6 MINUTES AND CLOSING REPORT

During the running of the run, the proceedings of the Stewards' meetings will be recorded. These minutes and the Official Final Classification must be sent electronically to the FMSCI within seven days of the end of the run.

21. PROTESTS AND APPEALS

21.1 LODGING A PROTEST OR APPEAL

All protests and / or appeals must be lodged in accordance with the stipulations of Articles 13 and 14 of the Code.

21.2 PROTEST FEES

As per FMSCI Schedule of Fees for the year.

If a protest requires the dismantling and re-assembly of a clearly defined part of the car any additional deposit must be specified in the Supplementary Regulations of the run – or will be specified by the Stewards upon a proposal of the FMSCI Technical Delegate / Chief Scrutineer.

If the protest is overruled or it is withdrawn after being brought, no part of the fee shall be returned. (Article 13.4.2 of sporting code)

If it is proved that the author of the protest has acted in bad faith, the FMSCI may inflict upon them one of the penalties laid down in the Code. (Article 13.9.3 of sporting code)

21.3 APPEALS

As per FMSCI Schedule of Fees for the year

- Competitors may appeal against decisions, in accordance with the stipulations set out in Articles 15.1 of the Code.
- Competitors have the right to appeal against a sentence or other decisions pronounced on them by the Stewards of the meeting. They must, however under pain of forfeiture of their right to appeal, notify the Stewards of the Meeting in writing within one hour of the publication of the decision, of their intention to appeal along with a fee as per FMSCI schedule of Fees for the year.
- The right to bring an appeal to the FMSCI expires 96 hours after the date of the decision of the Stewards of the event on condition that the intention of appealing has been notified in writing to the Stewards of the event within one hour of the decision (see previous paragraph). This appeal may be brought by fax or by any other electronic means of communication with confirmation of receipt. Confirmation by a letter of the same date accompanied by the necessary fee is required. The FMSCI will give its decision within a maximum of 30 days.
- All parties concerned shall be given adequate notice of the hearing of any appeal. They shall be entitled to call witnesses, but their failure to attend the hearing shall not interrupt the course of the proceedings.
- The confirmation of an appeal to the FMSCI must be accompanied by an additional fee as per FMSCI Schedule of Fees for the year.

- This fee becomes due from the moment the appellant notifies the Steward of the intention of appealing, and remains payable even if the appellant does not follow up the declared intention to appeal.
- If the appeal is rejected or it is withdrawn after being brought, no part of the fee shall be returned.
- If judged partially founded, the fee may be returned in part, and in its entirety if the appeal is upheld.

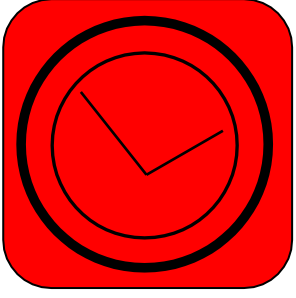

If it is proved that the author of the appeal has acted in bad faith, the FMSCI may inflict upon them one of the penalties laid down in the Code.

22. PRIZE GIVING

22.2 RUN PRIZE GIVINGS

Prizes for all competitors will be awarded during the prize distribution function mentioned in the Supplementary Regulations. Attendance of winners and all participants is mandatory unless under force majeure circumstances approved by the Stewards. Competitors failing to attend shall be reported to the Stewards.
